# Invitation

## **Dear Attendees,**

The International Research Conference Aims and Objectives

**6<sup>th</sup> International Conference on Applied Science, Engineering and Technology (ISTASET-2025)**, which will be held on **November 17-18, 2025** in **Dubai, UAE**.

International Conference on Applied Science, Engineering, and Technology aims to bring together leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results on all aspects of Applied Science, Engineering, and Technology. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Applied Science, Engineering, and Technology and Science.

The **ISTASET-2025** will be a 2 days event that gathers the key players of the Applied Science, Engineering, and Technology community and related sectors. This event is launched with the aim of becoming an established event, attracting global participants, intent on sharing, exchanging, and exploring new avenues of Applied Science, Engineering, and Technology related scientific and commercial developments.

### **Conference Sponsor and Exhibitor Opportunities:**

The Conference offers the opportunity to become a conference sponsor or exhibitor. To participate as a sponsor or exhibitor, please download and complete the Conference Sponsorship Request Form.

### **Conference presentation awards for Participants/ Students:**

#### **Eligibility**

We look forward to seeing you at ISTASET-2025 in Dubai, UAE.

## **Regards,**

**ISTASET-2025 Team**

# About Inov SciTech

**InovSciTech** is a conference, meetings, seminars, and workshops organizer which is focused on Clinical, Medical, Life Sciences, Engineering, and Technology. We promote the latest research, developments, and issues in the scientific community. It provides a platform for leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results.

**InovSciTech** aims to support research brilliance through networking platforms and its mission is to encourage global communication, and collaboration, promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. We believe in Inclusiveness and affirmative actions.

## Whoe We Are:

InovSciTech is specialized in organizing scientific conferences, meetings, and workshops internationally, to encourage networking and knowledge sharing, building and strengthening, discussing and demonstrating the technology by scientists, dynamic professors, ardent academicians, intellectual scholars, leaders, and research fellows.

## What We Do:

InovSciTech is involved in vitalizing and refining the knowledge of Science, Engineering & Technology to analyze the past, investigate the present and formulate a new form of applied science in the future. We provide the best content, an excellent delegate experience, exceptional networking opportunities with equally passionate professionals, and a great association to be in touch with people personally.

## Mission:

InovSciTech aim to create an ideal platform by promoting research by connecting scientists and researchers within and across disciplines at conferences and workshops that create an environment for information exchange, and the generation of new ideas and technologies in Science and technology.

# About Venue

## **Venue Address:**

Novotel Suites Dubai Mall of the Emirates, 2A Street - Al Barsha - Al Barsha 1 - Dubai - United Arab Emirates

Dubai is one of the world's leading tourism destinations and tourism in Dubai is a major source of revenue. The city hosted 14.9 million overnight visitors in 2016. In 2018, Dubai was the fourth most-visited city in the world based on the number of international visitors.

Aspects of Dubai's old culture, while occasionally overshadowed by the boom in economic development, can be found by visiting places around the creek, which splits Dubai into two halves, Bur Dubai and Deira. The buildings lining the Bur Dubai side of the Creek provide the main flavor of the old city. Heritage Village is one of the few remaining parts of historical Dubai, containing preserved buildings. The adjoining Diving Village offers exhibits on pearl diving and fishing. The Diving Village forms part of an ambitious plan to turn the entire "Shindagha" area into a cultural city, recreating life in Dubai as it was in days gone by.

## **About Visa:**

The United Arab Emirates (UAE) is a country in Western Asia. It is a sovereign constitutional monarchy, consisting of seven Emirates: Ajman, Dubai, Fujairah, Ras Al Khaimah, Sharjah, Umm Al Quwain, and Abu Dhabi, the largest Emirate as well as the capital.

With the mix of modern architecture right next to the historical and cultural landmarks, the UAE attracts millions of tourists every year.

If you are planning a trip to the UAE, you may find that you need to apply for a UAE visa (or not, depending on your country). The UAE government allows nationals of several countries to enter without a visa for short stays.
