

KUALA LUMPUR, MALAYSIA
JULY 23-24, 2026

7th International Conference on
Optics, Photonics, and Lasers
ISTMOPL 2026

Email: laseroptics-2026@inovscitechconferences.com
<https://inovscitechconferences.com/2026/malaysia/lasoptpho/>

INVITATION

Dear Attendees,

Welcome to the 7th **International Conference on Optics, Photonics, and Lasers (ISTMOPL2026)**, an international gathering of experts and innovators in the field of Optics, Photonics, and Lasers. Join us for this exceptional event, taking place in the vibrant city of **Kuala Lumpur, Malaysia, from July 23-24, 2026**.

About the Conference:

Date: July 23-24, 2026

Location: Kuala Lumpur, Malaysia

ISTMOPL 2026 serves as a premier platform for researchers, scientists, academicians, and industry professionals from around the globe to present and discuss the latest advancements, trends, and challenges in Optics, Photonics, and Lasers. This conference offers a unique opportunity for networking, collaboration, and knowledge exchange in a diverse and dynamic environment.

Why Attend?

Cutting-edge Research: Explore the latest breakthroughs and innovations in Optics, Photonics, and Lasers through presentations and discussions by leading experts in the field.

Networking Opportunities: Connect with like-minded professionals, researchers, and industry leaders to foster collaborations and partnerships that drive progress.

Global Perspective: Gain insights into the diverse perspectives and approaches shaping the future of Optics, Photonics, and Lasers on a global scale.

Industry Insights: Learn about the practical applications of Optics, Photonics, and Lasers in various industries and understand how it is influencing technological advancements.

Key Highlights:

Plenary Sessions: Engage with renowned keynote speakers and thought leaders who will share their insights and experiences, providing a broader perspective on the field.

Technical Sessions: Participate in specialized technical sessions covering a wide range of topics within Optics, Photonics, and Lasers, and more.

Poster Presentations: Showcase your research through interactive poster sessions, fostering one-on-one discussions with attendees.

Exhibition: Explore cutting-edge technologies, products, and services in the Optics, Photonics, and Lasers industry through our dedicated exhibition area.

Call for Papers:

We invite researchers and professionals to submit their abstracts and papers for consideration in the conference program. Share your expertise and contribute to the advancement of Optics, Photonics, and Lasers.

Registration:

Don't miss out on this unique opportunity to be part of ISTMOPL 2026. Register now to secure your spot and take advantage of early-bird registration discounts.

Contact Information:

For inquiries, sponsorship opportunities, or any other information, please contact our conference organizers at laseroptics-2026@inovscitechconferences.com.

Join us in Kuala Lumpur, Malaysia for ISTMOPL 2026 and be a part of shaping the future of Optics, Photonics, and Lasers!

Regards,

ISTMOPL2026 Team

ABOUT INOVSCITECH

InovSciTech is a conference, meetings, seminars, and workshops organizer which is focused on Clinical, Medical, Life Sciences, Engineering, and Technology. We promote the latest research, developments, and issues in the scientific community. It provides a platform for leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results.

InovSciTech aims to support research brilliance through networking platforms and its mission is to encourage global communication, and collaboration, promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. We believe in Inclusiveness and affirmative actions.

WHOE WE ARE:

InovSciTech is specialized in organizing scientific conferences, meetings, and workshops internationally, to encourage networking and knowledge sharing, building and strengthening, discussing and demonstrating the technology by scientists, dynamic professors, ardent academicians, intellectual scholars, leaders, and research fellows.

WHAT WE DO:

InovSciTech is involved in vitalizing and refining the knowledge of Science, Engineering & Technology to analyze the past, investigate the present and formulate a new form of applied science in the future. We provide the best content, an excellent delegate experience, exceptional networking opportunities with equally passionate professionals, and a great association to be in touch with people personally.

MISSION:

InovSciTech aim to create an ideal platform by promoting research by connecting scientists and researchers within and across disciplines at conferences and workshops that create an environment for information exchange, and the generation of new ideas and technologies in Science and technology.

SCIENTIFIC SESSIONS

- *Adaptive Optics
- *Optical Imaging Systems and Machine Vision
- *Quantum Information
- *Photonic Sensors
- *Nanophotonic
- *Applications of Photonic Technologies
- *Laser Propulsion
- *Optical and Fiber Optical Sensors and Instrumentation
- *Materials, Devices and Systems
- *Nonlinear Optics
- *Engineering Applications of Spectroscopy
- *Silicon Photonics
- *Organic Photonic Materials and Devices
- *Chemical Gas Lasers
- *Lasers in Medicine and Biology
- *Organic Optoelectronics
- *Guided Wave Optics
- *Optical Materials, Characterization Methods and Techniques
- *Photonic Integrated Circuit (PIC)
- *Quantum Photonics
- *Laser and laser optics
- *Laser Nanotechnology
- *Physical Optics

- *Holography | Optical Metrology
- *Matter Waves
- *Printed Optical Waveguides
- *Microwave Photonics
- *Photonic Instrumentation Engineering
- *Nonlinear Lasers
- *Future technologies in Biophotonics
- *High-speed Opto-electronic Networking
- *Quantum Optics
- *Microscopy and Adaptive Optics
- *Photonic Crystals
- *Photonic Computing
- *Laser Metrology
- *Laser Applications
- *Optoelectronic Devices
- *Optical Computing
- *Bio and Medical Optics
- *Photodetectors
- *Photonic Materials and Metamaterials
- *Laser Science
- *Lasers and LEDs
- *Micro-Opto-Electro-Mechanical Systems (MOEMS)
- *Optical Information Processing
- *Nano and Micro Optics
- *Optical Microscopy of Composites
- *Bio photonics
- *Others

MEETING AGENDA

July 23, 2026

08:00 - 09:00 Registrations
09:00 - 09:30 Opening Ceremony and Introduction
09:30 - 10:10 Keynote Speech -A
10:10 - 10:30 Refreshments
10:30 - 12:00 Keynote Speech -B
12:00 - 13:00 Speaker Session -A
13:00 - 13:50 Lunch
13:50 - 15:00 Speaker Session -B
15:00 - 15:20 Coffee Break
15:20 - 18:00 Speaker Session -C
18: 00 Session End

July 24, 2026

09:30 - 10:10 Keynote Speech -A
10:10 - 10:30 Refreshments
10:30 - 12:00 Keynote Speech -B
12:00 - 13:00 Speaker Session -A
13:00 - 13:50 Lunch
13:50 - 15:00 Speaker Session -B
15:00 - 15:20 Coffee Break
15:20 - 18:00 Speaker Session -C
18: 00 Session End

ABOUT VENUE

Venue: Hilton Garden Inn Kuala Lumpur
Welcome to Kuala Lumpur, Malaysia!

Kuala Lumpur, often referred to as KL, is a vibrant and cosmopolitan city that beautifully blends tradition with modernity. As the capital of Malaysia, it serves as a bustling hub of business, culture, and tourism, making it an ideal destination for conferences and events.

Venue Highlights:

Modern Infrastructure: Kuala Lumpur boasts state-of-the-art infrastructure and world-class facilities, providing an excellent setting for conferences of all scales. From well-equipped conference centers to luxurious hotels and exhibition spaces, the city offers a wide range of venues to cater to diverse event requirements.

Accessibility: Kuala Lumpur is strategically located in the heart of Southeast Asia, making it easily accessible from major international destinations. The city is served by the Kuala Lumpur International Airport (KLIA), which offers direct flights to numerous cities around the world. Additionally, Kuala Lumpur has an efficient public transportation system, including an extensive network of trains, buses, and taxis, ensuring convenient travel within the city.

Iconic Landmarks: The city's skyline is adorned with iconic landmarks that captivate visitors from all over the globe. The Petronas Twin Towers, once the tallest buildings in the world, symbolize Kuala Lumpur's modernity and architectural brilliance. Other notable landmarks include the Kuala Lumpur Tower, Merdeka Square, and the vibrant cultural enclave of Chinatown. Conference attendees can enjoy exploring these landmarks during their stay, adding a touch of adventure and cultural immersion to their visit.

Multicultural Environment: Kuala Lumpur is renowned for its multiculturalism, with diverse ethnicities and religions coexisting harmoniously. This multicultural environment enriches the conference experience, providing participants with the opportunity to engage with people from different backgrounds and gain a deeper understanding of various cultures and perspectives.

Culinary Delights: Kuala Lumpur is a haven for food enthusiasts, offering a wide array of culinary delights that reflect the city's multicultural heritage. From traditional Malay cuisine to tantalizing Chinese, Indian, and international flavors, the city's vibrant food scene is sure to satisfy every palate. Conference attendees can indulge in local delicacies at bustling street markets, trendy cafes, and world-class restaurants, adding a delectable dimension to their visit.

Shopping and Entertainment: Kuala Lumpur is renowned as a shopper's paradise, with numerous shopping malls, street markets, and boutiques offering a diverse range of products. From high-end fashion brands to traditional handicrafts, attendees can explore a variety of shopping experiences. The city also offers a vibrant nightlife, with trendy bars, clubs, and live music venues where participants can unwind and socialize after the conference sessions.

Warm Hospitality: Malaysians are known for their warm hospitality, ensuring that conference attendees feel welcomed and well taken care of during their stay. From the moment visitors arrive, they are greeted with genuine smiles and friendly assistance, creating a memorable experience that extends beyond the conference itself.

Kuala Lumpur, with its modern amenities, cultural richness, and warm hospitality, is an exceptional venue choice for conferences and events. We invite you to embrace the energy and charm of this captivating city as you embark on a fruitful and inspiring conference journey.
