# Invitation

## **Dear Attendees,**

Welcome to the **3rd International Conference on Renewable and Sustainable Energy (ISTPRSE 2026)**, an international gathering of experts and innovators in the field of Renewable and Sustainable Energy. Join us for this exceptional event, taking place in the vibrant city of **Paris, France, from April 23-24, 2026**.

## **About the Conference:**

**Date:** April 23-24, 2026

**Location:** Paris, France

ISTPRSE 2026 serves as a premier platform for researchers, scientists, academicians, and industry professionals from around the globe to present and discuss the latest advancements, trends, and challenges in Renewable and Sustainable Energy. This conference offers a unique opportunity for networking, collaboration, and knowledge exchange in a diverse and dynamic environment.

## **Why Attend?**

**Cutting-edge Research:** Explore the latest breakthroughs and innovations in Renewable and Sustainable Energy through presentations and discussions by leading experts in the field.

**Networking Opportunities:** Connect with like-minded professionals, researchers, and industry leaders to foster collaborations and partnerships that drive progress.

**Global Perspective:** Gain insights into the diverse perspectives and approaches shaping the future of Renewable and Sustainable Energy on a global scale.

**Industry Insights:** Learn about the practical applications of materials science in various industries and understand how it is influencing technological advancements.

## **Key Highlights:**

**Plenary Sessions:** Engage with renowned keynote speakers and thought leaders who will share their insights and experiences, providing a broader perspective on the field.

**Poster Presentations:** Showcase your research through interactive poster sessions, fostering one-on-one discussions with attendees.

**Exhibition:** Explore cutting-edge technologies, products, and services in the Renewable and Sustainable Energy industry through our dedicated exhibition area.

## **Call for Papers:**

We invite researchers and professionals to submit their abstracts and papers for consideration in the conference program. Share your expertise and contribute to the advancement of Renewable and Sustainable Energy.

## **Registration:**

Don't miss out on this unique opportunity to be part of ISTPRSE 2026. Register now to secure your spot and take advantage of early-bird registration discounts.

## **Contact Information:**

# About Inov SciTech

**InovSciTech** is a conference, meetings, seminars, and workshops organizer which is focused on Clinical, Medical, Life Sciences, Engineering, and Technology. We promote the latest research, developments, and issues in the scientific community. It provides a platform for leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results.

**InovSciTech** aims to support research brilliance through networking platforms and its mission is to encourage global communication, and collaboration, promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. We believe in Inclusiveness and affirmative actions.

## Whoe We Are:

InovSciTech is specialized in organizing scientific conferences, meetings, and workshops internationally, to encourage networking and knowledge sharing, building and strengthening, discussing and demonstrating the technology by scientists, dynamic professors, ardent academicians, intellectual scholars, leaders, and research fellows.

## What We Do:

InovSciTech is involved in vitalizing and refining the knowledge of Science, Engineering & Technology to analyze the past, investigate the present and formulate a new form of applied science in the future. We provide the best content, an excellent delegate experience, exceptional networking opportunities with equally passionate professionals, and a great association to be in touch with people personally.

## Mission:

InovSciTech aim to create an ideal platform by promoting research by connecting scientists and researchers within and across disciplines at conferences and workshops that create an environment for information exchange, and the generation of new ideas and technologies in Science and technology.

# About Venue

## **Venue Address:**

Paris, France

Paris, the capital of France, is one of the world's most inspiring conference destinations. A global center for innovation, culture, and commerce, it blends tradition with modernity. Home to leading universities, research institutions, and multinational headquarters, Paris attracts thought leaders and professionals from every corner of the globe.

The city's world-class infrastructure ensures smooth travel and seamless event experiences. Charles de Gaulle Airport connects Paris to over 300 cities worldwide. Paris offers a wider range of state-of-the-art venues, from historic landmarks to high-tech hubs. Its excellent public transport system makes navigating the city simple and efficient.

Conference attendees can enjoy world-renowned museums like the Louvre and Centre Pompidou. The city's culinary scene, from gourmet dining to cozy cafés, adds flavor to every visit. Elegant accommodations, from boutique hotels to luxury suites, suit every preference. Paris is also a hub for sustainable and smart-city initiatives, aligning with modern event goals.

The city's multicultural atmosphere fosters creativity, collaboration, and fresh perspectives. Free time in Paris offers countless possibilities – explore landmarks, gardens, or the Seine. Its timeless beauty and dynamic spirit make Paris more than a host – it's part of the experience. Attendees can network against backdrops like the Eiffel Tower or charming Parisian streets.

With a rich history and a forward-thinking outlook, Paris inspires transformative dialogue. Whether it's your first visit or your fifth, Paris offers something new each time. Every detail in Paris contributes to a memorable and productive conference. Join us in Paris, where ideas meet and innovation begins.
