Welcome Message!

On behalf of the Organizing and Committee we take great pleasure in welcoming academic scientists, researchers, research scholars, students and experts in application fields to Dubai, UAE for the Civil, Architectural, and Environmental Engineering conference to foster the progress in the field by contributing with your expertise to what promises to be a very comprehensive and exciting meeting, and to enjoy the immense unique artistic heritage and wonderful landscape of UAE.

2nd Global Summit on Civil, Architectural, and Environmental Engineering (ISTDCAEE 2024), which will be held during November 18-19, 2024 in Dubai, UAE is an international event, attracting global participant's intent on sharing, exchanging and exploring new avenues of Civil, Architectural, and Environmental Engineering and latest developments. The event will have 10-15 world level (Highly cited clauses) Plenary speakers, Keynote speakers, active and Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in the audience.

About Conference:

The aim of the ISTDCAEE 2024 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Civil, Architectural, and Environmental Engineering.

We sincerely hope that ISTDCAEE 2024 serves as an international platform for meeting, researchers from around the world, widen professional contact and create new opportunities, including establishing new collaborations.

Don't miss to be a part of ISTDCAEE – 2024...!

Best Regards

ISTDCAEE- 2024
