About Inov SciTech

InovSciTech is a conference, meetings, seminars, and workshops organizer which is focused on Clinical, Medical, Life Sciences, Engineering, and Technology. We promote the latest research, developments, and issues in the scientific community. It provides a platform for leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results.

InovSciTech aims to support research brilliance through networking platforms and its mission is to encourage global communication, and collaboration, promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. We believe in Inclusiveness and affirmative actions.

Who We Are

InovSciTech is specialized in organizing scientific conferences, meetings, and workshops internationally, to encourage networking and knowledge sharing, building and strengthening, discussing and demonstrating the technology by scientists, dynamic professors, ardent academicians, intellectual scholars, leaders, and research fellows.

What We Do

InovSciTech is involved in vitalizing and refining the knowledge of Science, Engineering & Technology to analyze the past, investigate the present and formulate a new form of applied science in the future. We provide the best content, an excellent delegate experience, exceptional networking opportunities with equally passionate professionals, and a great association to be in touch with people personally.

Mission

InovSciTech aim to create an ideal platform by promoting research by connecting scientists and researchers within and across disciplines at conferences and workshops that create an environment for information exchange, and the generation of new ideas and technologies in Science and technology.

Welcome Message!

Welcome to the 7th International Conference on Biopolymers and Polymer Chemistry (ISTDBPC 2025), an international gathering of experts and innovators in the field of Biopolymers and Polymer Chemistry. Join us for this exceptional event, taking place in the vibrant city of Dubai, UAE, from August 21-22, 2025.

About the Conference:

Date: August 21-22, 2025.

Location: Dubai, UAE.

ISTDBPC 2025 serves as a premier platform for researchers, scientists, academicians, and industry professionals from around the globe to present and discuss the latest advancements, trends, and challenges in Biopolymers and Polymer Chemistry. This conference offers a unique opportunity for networking, collaboration, and knowledge exchange in a diverse and dynamic environment.

Why Attend?

Cutting-edge Research: Explore the latest breakthroughs and innovations in Biopolymers and Polymer Chemistry through presentations and discussions by leading experts in the field.

Networking Opportunities: Connect with like-minded professionals, researchers, and industry leaders to foster collaborations and partnerships that drive progress.

Global Perspective: Gain insights into the diverse perspectives and approaches shaping the future of Biopolymers and Polymer Chemistry on a global scale.

Industry Insights: Learn about the practical applications of materials science in various industries and understand how it is influencing technological advancements.

Welcome Message!

Key Highlights:

Plenary Sessions: Engage with renowned keynote speakers and thought leaders who will share their insights and experiences, providing a broader perspective on the field.

Technical Sessions: Participate in specialized technical sessions covering a wide range of topics within Biopolymers and Polymer Chemistry, including nanotechnology, biomaterials, polymers, and more.

Poster Presentations: Showcase your research through interactive poster sessions, fostering one-on-one discussions with attendees.

Exhibition: Explore cutting-edge technologies, products, and services in the Biopolymers and Polymer Chemistry industry through our dedicated exhibition area.

Call for Papers:

We invite researchers and professionals to submit their abstracts and papers for consideration in the conference program. Share your expertise and contribute to the advancement of Biopolymers and Polymer Chemistry.

Registration:

Don't miss out on this unique opportunity to be part of ISTDBPC-2025. Register now to secure your spot and take advantage of early-bird registration discounts.

Contact Information:

For inquiries, sponsorship opportunities, or any other information, please contact our conference organizers at biopolymers-2025@inovscitechconferences.com.

Join us in Dubai for ISTDBPC 2025 and be a part of shaping the future of Biopolymers and Polymer Chemistry!

Scientific Sessions

Application of Novel Polymers
Biocatalysis and Biochemistry of Polymers
Biomaterials and Biopolymers
Emerging Technology of Optics, Fibre and Lasers
Future and Scope for Biopolymers & Polymer Chemistry
Materials Science and Polymer Colloids
Next-Generation Polymers
Polyhydroxy Alkanoates
Polymer Nanocomposite
Polymer Technology
Polymer Tissue Engineering
Polymers in Medicine
Recent Advances in Polymer Chemistry
Solid Waste Management of Polymers
Sustainable and Eco-friendly polymers

Advances in Polymer Synthesis
Bio Plastics and Applications
Biocomposites
Electrochemical Engineering
Functional Polymers
Green Chemicals: Biopolymers and Polymer chemistry
Nanopolymers and Modern Materials
Plastics Engineering
Polymer Engineering
Polymer Production Methods
Polymer Therapeutics: Bio Medical Concepts
Polymeric Materials Science and Chemistry
Polymers in Petroleum Refinery
Recent Market of Industrials Polymers
Supramolecular Polymers and 3D Printing
Others

Meeting Agenda

August 21, 2025

08:00 - 09:00 Registrations
09:00 - 09:30 Opening Ceremony and Introduction
09:30 - 10:10 Keynote Speech -A
10:10 - 10:30 Refreshments
10:30 - 12:00 Keynote Speech -B
12:00 - 13:00 Speaker Session -A
13:00 - 13:50 Lunch
13:50 - 15:00 Speaker Session -B
15:00 - 15:20 Coffee Break
15:20 - 18:00 Speaker Session -C

August 22, 2025

08:00 - 09:00 Registrations
09:00 - 09:30 Opening Ceremony and Introduction
09:30 - 10:10 Keynote Speech -A
10:10 - 10:30 Refreshments
10:30 - 12:00 Keynote Speech -B
12:00 - 13:00 Speaker Session -A
13:00 - 13:50 Lunch
13:50 - 15:00 Speaker Session -B
15:00 - 15:20 Coffee Break
15:20 - 18:00 Speaker Session -C
