# About Inov SciTech

InovSciTech is a conference, meetings, seminars, and workshops organizer which is focused on Clinical, Medical, Life Sciences, Engineering, and Technology. We promote the latest research, developments, and issues in the scientific community. It provides a platform for leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results.

InovSciTech aims to support research brilliance through networking platforms and its mission is to encourage global communication, and collaboration, promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. We believe in Inclusiveness and affirmative actions.

## Who We Are

InovSciTech is specialized in organizing scientific conferences, meetings, and workshops internationally, to encourage networking and knowledge sharing, building and strengthening, discussing and demonstrating the technology by scientists, dynamic professors, ardent academicians, intellectual scholars, leaders, and research fellows.

## What We Do

InovSciTech is involved in vitalizing and refining the knowledge of Science, Engineering & Technology to analyze the past, investigate the present and formulate a new form of applied science in the future. We provide the best content, an excellent delegate experience, exceptional networking opportunities with equally passionate professionals, and a great association to be in touch with people personally.

## Mission

InovSciTech aim to create an ideal platform by promoting research by connecting scientists and researchers within and across disciplines at conferences and workshops that create an environment for information exchange, and the generation of new ideas and technologies in Science and technology.

# Welcome Message!

## Global Conference & Expo on Food Technology - Dubai 2025

Join us at the cutting-edge Global Conference & Expo on Food Technology in Singapore, hosted by InovSciTech Conferences. This prestigious event will take place on August 21-22, 2025, bringing together leading experts, researchers, and industry professionals from around the globe to explore the latest advancements and innovations in food technology.

### Conference Highlights:

**Keynote Speeches:** Hear from renowned speakers who are pioneers in food technology, sharing their insights on the future of the industry and groundbreaking research.

**Technical Sessions:** Engage in comprehensive technical sessions covering a wide array of topics, including sustainable food production, food safety, novel food processing technologies, and more.

**Workshops & Panels:** Participate in hands-on workshops and interactive panel discussions that delve into current challenges and emerging trends in food technology.

**Exhibition:** Explore the exhibition area where leading companies will showcase their latest products, technologies, and services in the food tech sector.

**Networking Opportunities:** Connect with fellow attendees during dedicated networking sessions, fostering collaborations and exchanging ideas to drive innovation in food technology.

### Who Should Attend?

**Researchers & Academics:** Present your latest research findings and discover new perspectives from peers.

**Industry Professionals:** Gain insights into cutting-edge technologies and market trends that can propel your business forward.

**Policy Makers & Regulators:** Understand the latest advancements and their implications for food safety and regulation.

**Students & Early Career Scientists:** Learn from experts and expand your professional network.

# Welcome Message!

## **Call for Papers:**

We invite researchers and professionals to submit their abstracts for consideration. Selected papers will be presented during the conference, providing a platform to showcase innovative research and developments in food technology.

## **Registration:**

Register now to secure your spot at this premier event. Visit our website for more information on registration fees and deadlines.

Don't miss this opportunity to be at the forefront of food technology innovation. Join us in Dubai for an enriching experience that will inspire and inform the future of food technology.
