About Inov SciTech

InovSciTech is a conference, meetings, seminars, and workshops organizer which is focused on Clinical, Medical, Life Sciences, Engineering, and Technology. We promote the latest research, developments, and issues in the scientific community. It provides a platform for leading academic scientists, researchers, and research scholars to exchange and share their experiences and research results.

InovSciTech aims to support research brilliance through networking platforms and its mission is to encourage global communication, and collaboration, promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. We believe in Inclusiveness and affirmative actions.

Who We Are

InovSciTech is specialized in organizing scientific conferences, meetings, and workshops internationally, to encourage networking and knowledge sharing, building and strengthening, discussing and demonstrating the technology by scientists, dynamic professors, ardent academicians, intellectual scholars, leaders, and research fellows.

What We Do

InovSciTech is involved in vitalizing and refining the knowledge of Science, Engineering & Technology to analyze the past, investigate the present and formulate a new form of applied science in the future. We provide the best content, an excellent delegate experience, exceptional networking opportunities with equally passionate professionals, and a great association to be in touch with people personally.

Mission

InovSciTech aim to create an ideal platform by promoting research by connecting scientists and researchers within and across disciplines at conferences and workshops that create an environment for information exchange, and the generation of new ideas and technologies in Science and technology.

Welcome Message!

Welcome to the 9th Global Conference & Expo on Materials Science and Engineering (ISTDMSE 2025), an international gathering of experts and innovators in the field of materials science and engineering. Join us for this exceptional event, taking place in the vibrant city of Dubai, UAE, from August 21-22, 2025.

About the Conference:

Date: August 21-22, 2025.

Location: Dubai, UAE.

ISTDMSE 2025 serves as a premier platform for researchers, scientists, academicians, and industry professionals from around the globe to present and discuss the latest advancements, trends, and challenges in materials science and engineering. This conference offers a unique opportunity for networking, collaboration, and knowledge exchange in a diverse and dynamic environment.

Why Attend?

Cutting-edge Research: Explore the latest breakthroughs and innovations in materials science and engineering through presentations and discussions by leading experts in the field.

Networking Opportunities: Connect with like-minded professionals, researchers, and industry leaders to foster collaborations and partnerships that drive progress.

Global Perspective: Gain insights into the diverse perspectives and approaches shaping the future of materials science and engineering on a global scale.

Industry Insights: Learn about the practical applications of materials science in various industries and understand how it is influencing technological advancements.

Welcome Message!

Key Highlights:

Plenary Sessions: Engage with renowned keynote speakers and thought leaders who will share their insights and experiences, providing a broader perspective on the field.

Technical Sessions: Participate in specialized technical sessions covering a wide range of topics within materials science and engineering, including nanotechnology, biomaterials, polymers, and more.

Poster Presentations: Showcase your research through interactive poster sessions, fostering one-on-one discussions with attendees.

Exhibition: Explore cutting-edge technologies, products, and services in the materials science industry through our dedicated exhibition area.

Call for Papers:

We invite researchers and professionals to submit their abstracts and papers for consideration in the conference program. Share your expertise and contribute to the advancement of materials science and engineering.

Registration:

Don't miss out on this unique opportunity to be part of ISTDMSE-2025. Register now to secure your spot and take advantage of early-bird registration discounts.

Contact Information:

For inquiries, sponsorship opportunities, or any other information, please contact our conference organizers at matscieng-2025@inovscitechconferences.com.

Join us in Dubai for ISTDMSE 2025 and be a part of shaping the future of materials science and engineering!
